GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Security National Financial Corporation (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Friday, June 28, 2019 at Valley Center Towers, 5373 South Green Street, Classroom No. 237, Salt Lake City, Utah, beginning at 10:00 a.m., Mountain Daylight Time, or at any adjournments or postponements thereof. The shares covered by the enclosed proxy, if such is properly executed and received by the Board of Directors prior to the meeting, will be voted in favor of the proposals to be considered at the Annual Meeting, and in favor of the election of the nominees to the Board of Directors (three nominees to be elected by the Class A common stockholders voting separately as a class and five nominees to be elected by the Class A and Class C common stockholders voting together) as listed unless such proxy specifies otherwise, or the authority to vote in the election of directors is withheld.

A proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Company at 5300 South 360 West, Suite 250, Salt Lake City, Utah 84123, Attention: Jeffrey R. Stephens, by submitting in writing a proxy bearing a later date, by authorizing a proxy again on a later date on the Internet or by telephone, or by attending the Annual Meeting and voting in person. Stockholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. This Proxy Statement and accompanying proxy card are being mailed to stockholders on or about May 17, 2019.

If a stockholder wishes to assign a proxy to someone other than the directors' proxy committee, all names appearing on the proxy card must be crossed out and the name(s) of another person or persons (not more than two) inserted. The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers, and regular employees, without additional compensation.

The matters to be brought before the Annual Meeting are (1) to elect directors to serve for the ensuing year; (2) to approve, on an advisory basis, the compensation of the Company's named executive officers; (3) to ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for the fiscal year ended December 31, 2019; and (4) to transact such other business as may properly come before the Annual Meeting.

RECORD DATE AND VOTING INFORMATION

Only holders of record of common stock at the close of business on May 3, 2019, will be entitled to vote at the Annual Meeting. As of May 3, 2019, there were issued and outstanding 15,082,953 shares of Class A common stock, \$2.00 par value per share, and 2,190,361 shares of Class C common stock, \$2.00 par value per share, resulting in a total of 17,273,314 shares of Class A and Class C common stock. A majority of the outstanding shares of Class A and Class C common stock (or 8,636,658 shares) will constitute a quorum for the transaction of business at the meeting. A list of the Company's stockholders will be available for review at the Company's executive offices during regular business hours for a period of 20 days before the Annual Meeting.

Proxies received at any time before the Annual Meeting, and not revoked or superseded before being voted, will be voted at the Annual Meeting. If a proxy indicates a specification, it will be in accordance with the specification. If no specification is indicated, the proxy will be voted for approval of the election of the directors recommended by the Board of Directors; for approval, on an advisory basis, of the compensation of the Company's named executive officers; for ratification of the appointment of Deloitte & Touche as the Company's independent registered public accountants for the fiscal year ended December 31, 2019; and, in the discretion of the persons named in the proxy, to transact such other business that may properly come before the meeting or any adjournments or postponements of the meeting. You may also vote in person by ballot at the Annual Meeting.

The Company's Articles of Incorporation provide that the Class A common stockholders and Class C common stockholders have different voting rights in the election of directors. The Class A common stockholders voting separately as a class will be entitled to vote for three of the eight directors to be elected (the nominees to be voted upon by the Class A common stockholders separately consist of Messrs. Scott M. Quist, Gilbert A. Fuller, and Norman G. Wilbur).

The remaining five directors will be elected by the Class A and Class C common stockholders voting together (the nominees to be so voted upon consist of Messrs. John L. Cook, Robert G. Hunter, M.D., H. Craig Moody, Jason G. Overbaugh, and S. Andrew Quist), with the Class A common stockholders having one vote per share and the Class C common stockholders having ten votes per share. For the other business to be conducted at the Annual Meeting, the Class A and Class C common stockholders will vote together with the Class A common stockholders having one vote per share and the Class C common stockholders having ten votes per share. The Class A common stockholders will receive a different form of proxy than the Class C common stockholders.

Accordingly, on or about May 17, 2019, stockholders will receive a Notice of Internet Availability of Proxy Materials, which will provide instructions on how to access the Company's Proxy Statement and 2018 Annual Report online. This is designed to reduce the Company's printing and mailing costs and the environmental impact of its proxy materials. The notice also contains instructions on how to receive a paper copy of the Company's proxy materials, including the Proxy Statement, the 2018 Annual Report, and the proxy card.

Regardless of whether stockholders plan to participate in the Annual Meeting, stockholders should promptly submit their proxy over the Internet by following the instructions found on the notice. As an alternative, stockholders may follow the procedures outlined in the notice to request a paper proxy card in order to submit their vote by mail.

VOTING SHARES AT THE ANNUAL MEETING

Holders of record of the Company's shares of Class A and Class C common stock as of the close of business on the record date, May 3, 2019, are entitled to receive notice of, and to vote at, the Annual Meeting. The outstanding shares of Class A and Class C common stock constitute the only classes of securities entitled to vote at the Annual Meeting and each share of Class A common stock entitles the holder to one vote and each share of Class C common stock entitles the holder to ten votes. There are three ways to authorize a proxy to vote the shares held by the holders of Class A common stock and Class C common stock:

1. Vote by Internet - Holders of shares of Class A and Class C common stock can use the Internet at www.voteproxy.com to transmit voting instructions and for electronic delivery of information up until 11:59 p.m., Eastern Time on June 27, 2019. Such stockholders should have their proxy card in hand when they access the Company's website and follow the instructions to obtain their records and to create an electronic voting instruction form;
2. Vote by Telephone - Stockholders located in the United States can authorize their proxy by touch-tone telephone by calling 1-800-690-6903 to transmit their voting instructions up until 11:59 p.m., Eastern Time on June 27, 2019. Stockholders should have their proxy card in hand when they call and then follow the instructions; or
3. Vote by Mail - Stockholders receiving proxy materials by mail may authorize a proxy by mail by signing and dating the proxy, then returning it in the postage-paid envelop that has been provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

If the holders of shares of Class A and Class C common stock are held in the name of a bank, broker or other holder of record, such stockholders will receive instructions from the holder of record. Stockholders must follow the instructions of the holder of record in order for shares to be voted. Internet and telephone proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If such shares are not registered in the stockholder's own name and the stockholder plans to vote such shares in person at the Annual Meeting, such stockholder should contact such stockholder's broker or agent to obtain a legal proxy or broker's proxy card and bring it to the Annual Meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by the Company's Board of Directors on any matter for which a stockholder has not given instructions. The Board of Directors' recommendations appear at the end of each of the proposals.

REVOKING A PROXY

Stockholders of record may revoke their proxy and change votes any time before their votes are cast by:

1. Giving written notice of revocation to the attention of Jeffrey R. Stephens, Senior General Counsel and Secretary, Security National Financial Corporation, 5300 South 360 West, Suite 300, Salt Lake City, Utah 84123 prior to the Annual Meeting.
2. Authorizing a proxy again on a later date on the Internet or by telephone (only the latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted);
3. Signing and forwarding to the Company a later-dated proxy; or
4. Attending the Annual Meeting and voting shares of the Company's Class A common stock or Class C common stock in person.

The Board of Directors recommends that stockholders vote "FOR" the election of each of the director nominees.

The Board of Directors, Board Committees, and Meetings

The Company's Bylaws provide that the Board of Directors shall consist of not less than five nor more than twelve. The term of office of each director is for a period of one year or until the election and qualification of his successor. A director is not required to be a resident of the State of Utah or a stockholder of the Company. The Board of Directors held a total of five meetings during the fiscal year ended December 31, 2018. Each of the directors attended 75% or more of the meetings of the Board of Directors during 2018.

The size of the Board of Directors of the Company is eight members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of The Nasdaq Stock Market. The Board of Directors has affirmatively determined that five of the eight members of the Board of Directors, namely Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody, and Norman G. Wilbur are independent under the listing standards of The Nasdaq Stock Market.

Unless authority is withheld by your proxy, it is intended that the Class A or Class C common stock represented by your proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee would be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he was or is to be selected as a director. There is no family relationship between or among any of the nominees, except that S. Andrew Quist is the son of Scott M. Quist, and Jason G. Overbaugh is the nephew of Scott M. Quist.

There are four committees of the Board of Directors, which meet periodically during the year: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee.

The Audit Committee directs the auditing activities of the Company's internal auditors and outside public accounting firm and approves the services of the outside public accounting firm. The Audit Committee consists of Messrs. John L. Cook, Gilbert A. Fuller, H. Craig Moody, and Norman G. Wilbur (Chairman of the committee). During 2018, the Audit Committee met on three occasions.

The Compensation Committee is responsible for recommending to the Board of Directors for approval the annual compensation of each executive officer of the Company and the executive officers of the Company's subsidiaries, developing policy in the areas of compensation and fringe benefits, contributions under the Employee Stock Ownership Plan, contributions under the 401(k) Retirement Savings Plans, Non-Qualified Deferred Compensation Plan, granting of options under the stock option plans, and creating other employee compensation plans. The Compensation Committee consists of Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody, and Norman G. Wilbur (Chairman of the Committee). During 2018, the Compensation Committee met on two occasions.

The Executive Committee reviews Company policy, major investment activities and other pertinent transactions of the Company. The Executive Committee consists of Messrs. Gilbert A. Fuller, H. Craig Moody, S. Andrew Quist, and Scott M. Quist (Chairman of the committee). During 2018, the Executive Committee met on one occasion.

The Nominating and Corporate Governance Committee identifies individuals qualified to become Board members consistent with the criteria approved by the Board, recommends to the Board the persons to be nominated by the Board for election as directors at a meeting of stockholders, and develops and recommends to the Board a set of corporate governance principles. The Nominating and Corporate Governance Committee consists of Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the committee), and Norman G. Wilbur. The Nominating and Corporate Governance Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2018, the Nominating and Corporate Governance Committee met on two occasions.

Director Nominating Process

The process for identifying and evaluating nominees for directors include the following steps: (1) the members of the Nominating and Corporate Governance Committee, including the Chairman, the Chairman of the Board or other board members identify a need to fill vacancies or add newly created directorships; (2) the Chairman of the Nominating and Corporate Governance Committee initiates a search and seeks input from Board members and senior management and, if necessary, obtains advice from legal or other advisors (but does not hire an outside search firm); (3) director candidates, including any candidates proposed by stockholders, are identified and presented to the Nominating and Corporate Governance Committee; (4) initial interviews with candidates are conducted by the Chairman of the Nominating and Corporate Governance Committee; (5) the Nominating and Corporate Governance Committee meets to consider and approve final candidate(s) and conduct further interviews as necessary; and (6) the Nominating and Corporate Governance Committee makes recommendations to the Board for inclusion in the slate of directors at the annual stockholders meeting. The evaluation process will be the same whether the nominee is recommended by a stockholder or by a member of the Board of Directors.

The Nominating and Corporate Governance Committee will consider nominees proposed by stockholders. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, stockholders may submit the candidate's name and qualifications to: Jeffrey R. Employment Agreements

Employment Agreement with Scott M. Quist

On December 4, 2012, the Company entered into an employment agreement with Scott M. Quist, Chairman of the Board, President and Chief Executive Officer of the Company. The agreement was for a six-year term beginning on December 4, 2012 and ending on December 4, 2018. Under the terms of the Agreement, the Board of Directors may, in its sole discretion, extend the term of the agreement for an additional four year term provided that Mr. Quist has continued to perform his duties with usual and customary care, diligence and prudence commensurate with his position with the Company. In addition, Mr. Quist is required to perform such additional duties as may be assigned to him from time to time by the Company's Board of Directors.

Effective December 4, 2018, the Board members approved a motion to extend Mr. Quist's employment agreement for an additional four-year term ending December 2022. Mr. Quist abstained from voting on the motion to extend his employment agreement for the additional four year term. Under the terms of the employment agreement, Mr. Quist is to devote his full time to the Company, serving as Chairman of the Board, President and Chief Executive Officer at not less than his current salary and benefits. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. In the event of disability, Mr. Quist's salary would be continued for up to five years at 75% of his then current level of compensation.

In the event of a sale or merger of the Company and Mr. Quist is not retained in his current position, the Company would be obligated to continue paying Mr. Quist's current compensation and benefits for seven years following the merger or sale. The employment agreement further provides that Mr. Quist is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 65), (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of twenty years in annual installments in the amount equal to 75% of his then current level of compensation. In the event that Mr. Quist dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company expensed \$660,000 and \$755,302 during the years ended December 31, 2018 and 2017, respectively, to cover the present value of anticipated retirement benefits under the employment agreement. The liability accrued was \$5,191,670 and \$4,531,670 as of December 31, 2018 and 2017, respectively.

Employee 401(k) Retirement Savings Plan

In 1995, the Company's Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company made discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allows the Board to determine the amount of the contribution at the end of each year. During the period from January 1, 1995 to December 31, 2007 the Board adopted a contribution formula specifying that such discretionary employer matching contributions would equal 50% of the participating employee's contribution to the plan to purchase the Company's stock up to a maximum discretionary employee contribution of 1/2 of 1% of participating employees' compensation, as defined by the plan.

All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the 401(k) plan. All Company matching contributions are invested in the Company's Class A common stock. Also, the Company may contribute at the discretion of the Company's Board of Directors an employer profit sharing contribution to the 401(k) plan. The employer profit sharing contribution is to be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee.

Beginning January 1, 2008, the Company elected to be a "Safe Harbor" Plan for its matching 401(k) contributions. The Company will match 100% of up to 3% of an employee's total annual compensation and 50% of 4% to 5% of an employee's annual compensation. The match is in shares of the Company's Class A common stock. The Company's contribution for 2018 and 2017 was \$1,480,913 and \$1,534,861, respectively, under the "Safe Harbor" plan.

Stock Repurchase Plan

On September 7, 2018, the Board approved the Security National Financial Stock Repurchase Plan that authorized the repurchase of 300,000 shares of the Company's Class A Common Stock in the open market. The repurchased shares of Class A common stock will be held as treasury shares to be used as the Company's employer matching contribution to the Employee 401(k) Retirement Savings Plan.

In order to qualify for a "safe harbor" from liability for stock manipulation under Section 9(a)(2) of Securities Exchange Act of 1934, as amended (the "Act") and Section 10b-5 under the Act under Rule 10b-18 of the Securities Exchange Act of 1934, as amended, the Company must comply with each of the following four conditions: (i) The Company must repurchase all shares from only one broker or dealer during a single day; (ii) If the Company has an average trading volume of less than \$1,000,000 per day or a public float value below \$150,000,000, it will be unable to trade within the last 30 minutes of trading. If the Company has a higher average trading volume or public float value, it can trade up until the last ten minutes of trading; (iii) The Company must repurchase at a price that does not exceed the highest independent bid or the last independent transaction price quoted; and (iv) The Company cannot purchase more than 25% of the average daily volume of the Class A common shares.

Employee Stock Ownership Plan (ESOP)

Effective January 1, 1980, the Company adopted an employee stock ownership plan (the “ESOP Plan”) for the benefit of career employees of the Company and its subsidiaries. Under the ESOP Plan, the Company has discretionary power to make contributions on behalf of all eligible employees into a trust created under the ESOP Plan. Employees become eligible to participate in the ESOP Plan when they have attained the age of 19 and have completed one year of service (a twelve-month period in which the employee completes at least 1,040 hours of service).

The Company's contributions under the ESOP Plan are allocated to eligible employees on the same ratio that each eligible employee's compensation bears to total compensation for all eligible employees during each year. To date, the ESOP Plan has approximately 287 participants and had \$-0- in contributions payable to the Plan in 2018. Benefits under the ESOP Plan vest as follows: 20% after the second year of eligible service by an employee, and an additional 20% in the third, fourth, fifth and sixth years of eligible service by an employee.

Benefits under the ESOP Plan will be paid out in one lump sum or in installments in the event the employee becomes disabled, reaches the age of 65, or is terminated by the Company and demonstrates financial hardship. The ESOP Plan Committee, however, retains discretion to determine the final method of payment. Further, the Company reserves the right to amend or terminate the ESOP Plan at any time. The trustees of the trust fund under the ESOP Plan are Scott M. Quist (Chairman), S. Andrew Quist, and Robert G. Hunter, who each serve as a director of the Company.

Non-Qualified Deferred Compensation Plan

In 2001, the Company's Board of Directors adopted a Non-Qualified Deferred Compensation Plan. Under the terms of the plan, the Company will provide deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The Board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company's Board of Directors. The Company did not make any contributions for 2018 and 2017. The investment committees of the Company's Non-Qualified Deferred Compensation Plan consists of Scott M. Quist, Stephen C. Johnson, and Garrett S. Sill.

2013 Stock Option Plan

On August 24, 2013, the Company adopted the Security National Financial Corporation Amended and Restated 2013 Stock Option and Other Equity Incentive Awards Plan (the “2013 Plan”), which reserved 450,000 shares of Class A common stock to be made available for issuance thereunder, of which up to 150,000 shares of Class C common stock could be issued in place of up to 150,000 shares of Class A common stock. The 2013 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both “incentive stock options,” as defined under Section 422A of the Internal Revenue Code of 1986 and “non-qualified options” may be granted under the 2013 Plan.

On July 1, 2015, the stockholders approved an amendment to the 2013 Plan to authorize an additional 450,000 shares of Class A common stock under the 2013 Plan, of which up to 200,000 shares of Class C common stock may be issued in place of up to 200,000 shares of Class A common stock. On June 29, 2017, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock to be available for issuance under the plan, of which up to 250,000 shares of Class C common stock may be issued in place of 250,000 shares of Class A Common Stock.

The 2013 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales affected under the 2013 Plan are to be determined by the Board of Directors or its committee. No options may be exercised for a term of more than ten years from the date of the grant. Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the Internal Revenue Code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 2013 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 2013 Plan also provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

On December 4, 2015, the Board of Directors approved a resolution to amend the 2013 Plan to include additional equity incentive awards. These additional incentive awards in the plan consist of Stock Appreciation Rights (SARs), Restricted Stock Units (RSUs), and Performance Share Awards. Stock Appreciation Rights are awards that entitle the recipient to receive cash or stock equal to the excess of the Company's stock price on the date the SAR is exercised over the Company's stock price on the date the SAR was granted times the number of shares of stock with respect to which the SAR is exercised. Restricted Stock Units entitle the recipient to receive RSUs that require the Company on the distribution dates to transfer to the recipient one unrestricted, fully transferable share of stock for each RSU scheduled to be paid out on that date. Performance Share Awards entitle the recipient to receive stock based on the Company meeting certain performance goals.

The 2013 Plan has a term of ten years. The Board of Directors may amend or terminate the 2013 Plan at any time, from time to time, subject to approval of certain modifications to the 2013 Plan by the stockholders of the Company as may be required by law or the 2013 Plan.

Stock Purchase Plan

On September 11, 2015, the Board of Directors approved the Security National Financial Corporation Stock Purchase Plan for the mutual benefit of the Company and its stockholders. Under the terms of the plan, the Company has the option to purchase shares of Class A common stock from its officers and directors who exercise the stock options granted to them under any of the Company's stock option plans with the proceeds from such purchases to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options. Additionally, the officers and directors who exercise their stock options may, in their discretion, request that the Company purchase shares of their Class A common stock with the proceeds from such sale to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options.

The Company is authorized under the plan to purchase no more than 60,000 shares of Class A common stock in any calendar year to pay the taxes owed by the officers and directors who exercise their stock options under the Stock Purchase Plan. The Company's purchase price for the Class A common stock under the Stock Purchase Plan shall be equal to the closing sales price of the Company's Class A common stock as reported by The Nasdaq National Market on the day that the applicable stock options are exercised by such officers and directors. The Company may only purchase shares of Class A common stock from the officers and directors exercising their stock options under the Stock Purchase Plan during the "Trading Window" as defined in the Company's Insider Trading Policy and Guidelines.

Director Compensation

Directors of the Company (but not including directors who are employees) are currently paid a director's fee of \$21,600 per year by the Company for their services and are reimbursed for their expenses in attending board and committee meetings. An additional director fee of \$750 is paid to each audit committee member for each audit committee meeting attended. Each director is provided with an annual grant of stock options to purchase 1,000 shares of Class A common stock, which occurred under the 2000 Director Stock Option Plan for years 2000 to 2005, under the 2006 Director Stock Option Plan and under the 2014 Director Plan for years 2006 to 2018. During 2018, each director was granted options to purchase an additional 1,000 shares of Class A common stock.

2014 Director Stock Option Plan

On May 16, 2014, the Company adopted the 2014 Director Stock Option Plan (the "2014 Director Plan"). The 2014 Director Plan provides for the grant by the Company of options to purchase up to an aggregate of 150,000 shares of Class A common stock to be made available for issuance under the plan. The 2014 Director Plan also provides that each member of the Company's Board of Directors who is not an employee or paid consultant of the Company is automatically eligible to receive options to purchase the Company's Class A common stock under the plan. The 2014 Director Plan replaces the Company's 2006 Director Stock Option Plan, which was terminated on July 2, 2014.

In addition, the 2014 Director Plan provides that beginning on December 7, 2014, and on each year thereafter during the term of the plan, each outside director shall automatically receive an option to purchase 1,000 shares of Class A common stock. Also, each new outside director who joins the Board after the effective date shall be granted an option to purchase 1,000 shares of Class A common stock upon the date which such person first becomes an outside director and an annual grant of an option to purchase 1,000 shares of Class A common stock on each anniversary date thereof during the term of the 2014 Director Plan. The options granted to outside directors shall vest in four equal quarterly installments over a one year period from the date of grant, until such shares are fully vested. The primary purposes of the 2014 Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets or other change in control transaction involving the Company, each option granted under the 2014 Director Plan becomes exercisable in full, unless such option is assumed by the successor corporation. In the event the transaction is not approved by a majority of the "Continuing Directors" (as defined in the 2014 Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and periodic changes in ownership of the Company's shares of Class A and Class C common stock with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of stock reports received by the Company with respect to fiscal 2018, or written representations from certain reporting persons, the Company believes that its directors, executive officers, and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except that each of the executive officers and directors, through an oversight, filed one late Form 4 report disclosing the granting of stock options on November 30, 2018.

REPORT OF THE COMPENSATION COMMITTEE

Compensation Discussion and Analysis

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of five directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance, and aligns executive officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2018 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2018 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by Scott M. Quist, Chairman of the Board, President and Chief Executive Officer of the Company, for services rendered in 2018. Mr. Quist had received a base salary of \$489,174 for 2018. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of four non-management directors: John L. Cook, Gilbert A. Fuller, H. Craig Moody, and Norman G. Wilbur (Chairman of the committee). Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards. The Company's Board of Directors has adopted a written charter for the Audit Committee.

During the year 2018, the Audit Committee met six times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Deloitte & Touche LLP, and discussed all matters required to be discussed by the auditors with the Audit Committee under the Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether the non-audit services provided by them to the Company during 2018 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the U.S. Securities and Exchange Commission.

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

PROPOSAL 2

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. Thus, pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is asking stockholders for an advisory approval of the compensation of the Company's Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables, and related narrative discussion included in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Company designs its compensation programs to maintain a performance- and achievement-oriented environment throughout the Company. The goals of the Company's executive compensation program are to provide total compensation that is competitive in the market place and that rewards successful financial performance in order to attract, retain, and motivate highly-qualified executive officers and other key employees who contribute to the Company's long-term success, to align executive compensation with the Company's business objectives and performance, and to motivate executive officers to enhance long-term stockholder value.

Consistent with these goals and as discussed in the Compensation Discussion and Analysis, the Compensation Committee has designed guiding principles to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

The Company is asking its stockholders to indicate their support for the compensation of the Company's Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity to express their views on the compensation of the Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, the Board of Directors asks the stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the U.S. Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2018 Summary Compensation Table, and the other related tables and disclosures."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board of Directors, or the Compensation Committee. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and will take into account the outcome of this vote in considering future compensation arrangements for the Named Executive Officers.

The Board of Directors recommends that the stockholders vote "FOR" approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

PROPOSAL 3

The independent public accounting firm of Deloitte & Touche LLP has been the Company's independent registered public accountants since June 1, 2017. The Audit Committee recommended and the Board of Directors appointed Deloitte & Touche LLP for purposes of auditing the consolidated financial statements of the Company for the fiscal year ending December 31, 2019. It is anticipated that representatives of Deloitte & Touche LLP will be present at the Annual Meeting and will be provided an opportunity to make statement if they desire, and to be available to respond to appropriate questions.

The Board of Directors recommends that stockholders vote "FOR" ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for fiscal year ending December 31, 2019.

In addition, there were \$25,500 in audit-related fees and \$90,800 in tax preparation fees during fiscal 2018.
