PROXY STATEMENT

**For Annual Meeting of Stockholders To
Be Held on Friday, June 26, 2026**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Security National Financial Corporation (the “Company”) for use at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Friday, June 26, 2026, at 433 Ascension Way, 1st Floor, Salt Lake City, Utah 84123, beginning at 10:00 a.m., Mountain Daylight Time, or at any adjournments or postponements thereof. The shares covered by the enclosed proxy, if such is properly executed and received by the Board of Directors prior to the meeting, will be voted in favor of the proposals to be considered at the Annual Meeting, and in favor of the election of the nominees to the Board of Directors (with three nominees to be elected by the Class A common stockholders voting separately as a class, and six nominees to be elected by the Class A and Class C common stockholders voting together) as listed unless such proxy specifies otherwise, or the authority to vote in the election of directors is withheld.

A proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Company at 433 Ascension Way, 6th Floor, Salt Lake City, Utah 84123, Attention: Corporate Secretary, by submitting in writing a proxy bearing a later date, by authorizing a proxy again on a later date on the Internet or by telephone, or by attending the Annual Meeting and voting in person. Stockholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. This Proxy Statement and accompanying proxy card are being mailed to stockholders on or about April 28, 2026.

If a stockholder wishes to assign a proxy to someone other than the directors’ proxy designees, all names appearing on the proxy card must be crossed out and the name(s) of another person or persons (not more than two) inserted. The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company’s directors, officers, and regular employees, without additional compensation.

The matters to be brought before the Annual Meeting are (1) to elect nine directors to serve for the ensuing year; (2) the amendment of the Company’s 2022 Equity Incentive Plan to provide that up to 500,000 of the shares previously authorized to be issued only as Class A common stock may instead be issued as Class C common stock; (3) to approve, on an advisory basis, the compensation of the Company’s Named Executive Officers; (4) to ratify the appointment of Deloitte & Touche LLP as the Company’s independent registered public accountants for the fiscal year ending December 31, 2026; and (5) to transact such other business as may properly come before the Annual Meeting.

RECORD DATE AND VOTING INFORMATION

Only holders of record of common stock at the close of business on April 20, 2026, will be entitled to vote at the Annual Meeting. As of April 1, 2026, there were issued and outstanding 22,432,763 shares of Class A common stock (including 1,142,256 shares of treasury stock), \$2.00 par value per share, and 3,587,237 shares of Class C common stock (including 104,604 shares of treasury stock), \$2.00 par value per share, resulting in a total of 26,020,000 shares of Class A and Class C common stock issued and outstanding. A majority of the outstanding shares of Class A and Class C common stock entitled to vote at the meeting being represented in person or by proxy (or approximately 12,386,571 shares) will constitute a quorum for the transaction of business at the meeting. The Class A shareholders will vote separately as a class with respect to the election of certain directors. Therefore, a majority of the outstanding Class A shares entitled to vote at the meeting being represented in person or by proxy (or approximately 10,645,354 shares) will constitute a quorum for purposes of the election of those directors at the meeting. A list of the Company’s stockholders will be available for review at the Company’s executive offices during regular business hours for a period of 20 days before the Annual Meeting. In addition, as of December 31, 2025, there were issued and outstanding (excluding shares of treasury stock) 21,332,661 shares of Class A common stock and 3,482,633 shares of Class C common stock.

Proxies received at any time before the Annual Meeting, and not revoked or superseded before being voted, will be voted at the Annual Meeting. You may also vote in person by ballot at the Annual Meeting.

The Company's Articles of Incorporation provide that the Class A common stockholders and Class C common stockholders have different voting rights in the election of directors. The Class A common stockholders voting separately as a class will be entitled to vote for three of the nine directors to be elected (the nominees to be voted upon by the Class A common stockholders separately consist of Scott M. Quist, Gilbert A. Fuller and Adam G. Quist). The remaining six directors will be elected by the Class A and Class C common stockholders voting together (the nominees to be so voted upon consist of H. Craig Moody, Robert G. Hunter, M.D., John L. Cook, S. Andrew Quist, Jason G. Overbaugh, and Shital A. Mehta), with the Class A common stockholders having one vote per share and the Class C common stockholders having ten votes per share.

With respect to the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees. Checking the box that withholds authority to vote for a nominee is equivalent to abstaining. With respect to the three nominees to be elected by the Class A common stockholders voting separately as a class, the three nominees who receive the greatest number of votes cast for the election of those directors by Class A shares entitled to vote and present in person or represented by proxy at the Annual Meeting will be elected directors. With respect to the six nominees to be elected by the Class A and Class C common stockholders voting together, the six nominees who receive the greatest number of votes cast for the election of those directors by Class A and Class C shares entitled to vote and present in person or represented by proxy at the Annual Meeting will be elected directors. In an uncontested plurality election such as this, approval by a percentage of the shares present or outstanding is not required.

For the other business to be conducted at the Annual Meeting, the Class A and Class C common stockholders will vote together with the Class A common stockholders having one vote per share and the Class C common stockholders having ten votes per share. With respect to each of the proposals other than the election of directors, shareholders may vote in favor of the proposal, or against the proposal, or abstain from voting. The affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval of those proposals. A shareholder who signs and submits a ballot or proxy on any proposal is "present".

Shares represented by a properly executed proxy will be voted at the annual meeting in accordance with the shareholder's instructions. If you are a registered shareholder or have an interest in the Company's common stock through the Company's 401(k) plan and return a signed proxy card that omits voting instructions for some or all of the matters to be voted on, your shares will be voted on all uninstructed matters in accordance with the recommendations of the Board. Shares of Common Stock that are held in "street name," which means shares of Common Stock held of record by a trustee or in an account at a brokerage firm, bank, dealer, or other similar organization (collectively, "brokerage firms"), may, for certain matters, be voted, even if the beneficial holder does not provide the brokerage firm with voting instructions. Brokerage firms have the authority under applicable securities rules to cast votes on certain "routine" matters, even if they do not receive instructions from their customers. However, the ratification of our independent registered accounting firm is considered the only routine matter for which brokerage firms may vote un-instructed shares. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. This is called a "broker non-vote." Abstentions and broker non-votes will be counted as "represented" for the purpose of determining the presence or absence of a quorum.

The Class A common stockholders will receive a different form of proxy than the Class C common stockholders. Cumulative voting is not allowed in the election of directors or for any other proposal to be voted upon.

INTERNET AVAILABILITY OF PROXY MATERIALS

The Company will be providing access to its proxy materials over the Internet under the United States Securities and Exchange Commission's "notice and access" rules. Accordingly, on or about April 28, 2026, stockholders will receive a Notice of Internet Availability of Proxy Materials, which will provide instructions on how to access the Company's Proxy Statement and 2025 Annual Report online. This is designed to reduce the Company's printing and mailing costs and the environmental impact of its proxy materials. The notice also contains instructions on how to receive a paper copy of the Company's proxy materials, including the Proxy Statement, the 2025 Annual Report, and a proxy card.

Regardless of whether stockholders plan to participate in the Annual Meeting, stockholders should promptly submit their proxy over the Internet or by telephone by following the instructions found on the notice. As an alternative, stockholders may follow the procedures outlined in the notice to request a paper proxy card in order to submit their vote by mail.

VOTING SHARES AT THE ANNUAL MEETING

Holders of record of the Company's shares of Class A and Class C common stock as of the close of business on the record date, April 20, 2026, are entitled to receive notice of, and to vote at, the Annual Meeting. The outstanding shares of Class A and Class C common stock constitute the only classes of securities entitled to vote at the Annual Meeting and each share of Class A common stock entitles the holder to one vote and each share of Class C common stock entitles the holder to ten votes. There are three ways to authorize a proxy to vote the shares held by the holders of Class A common stock and Class C common stock:

1. Vote by Internet - Holders of shares of Class A and Class C common stock can use the Internet at www.proxyvote.com to transmit voting instructions and for electronic delivery of information up until 11:59 p.m., Eastern Time on June 25, 2026. Such stockholders should have their proxy card in hand when they access the Company's website and follow the instructions thereon to obtain their records and to create an electronic voting instruction form;
2. Vote by Telephone - Stockholders located in the United States can authorize their proxy by touch-tone telephone by calling 1-800-690-6903 to transmit their voting instructions up until 11:59 p.m., Eastern Time on June 25, 2026. Stockholders should have their proxy card in hand when they call and then follow the instructions; or
3. Vote by Mail - Stockholders receiving proxy materials by mail may authorize a proxy by mail by signing and dating the proxy, then returning it in the postage-paid envelop that has been provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

If the holders of shares of Class A and Class C common stock are held in the name of a bank, broker or other holder of record, such stockholders will receive instructions from the holder of record. Stockholders must follow the instructions of the holder of record in order for shares to be voted. Internet and telephone proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If such shares are not registered in the stockholder's own name and the stockholder plans to vote such shares in person at the Annual Meeting, such stockholder should contact such stockholder's broker or agent to obtain a legal proxy or broker's proxy card and submit it by mail or bring it to the Annual Meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by the Company's Board of Directors on any matter for which a stockholder has not given instructions. The Board of Directors' recommendations appear at the end of each of the proposals.

Revoking a Proxy

Stockholders of record may revoke their proxy and change votes any time before their votes are cast by:

1. Sending a written notice of revocation to the attention of Corporate Secretary, Security National Financial Corporation, 433 Ascension Way, 6th Floor, Salt Lake City, Utah 84123 prior to the Annual Meeting.
2. Authorizing a proxy again on a later date on the Internet or by telephone (only the latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted);
3. Signing and forwarding to the Company a later-dated proxy; or
4. Attending the Annual Meeting and voting shares of the Company's Class A common stock or Class C common stock in person.

PLAN FOR ANNUAL MEETING

The Company intends to hold its Annual Stockholders Meeting in person and to provide a non-interactive broadcast of the meeting via the Internet. Access to the meeting broadcast will be at www.securitynational.com/annualmeeting. Whether or not you are planning on attending in person, please monitor the Company's website at www.securitynational.com/annualmeeting for updated information at least one week prior to the meeting date. As always, the Company encourages you to vote your shares prior to the Annual Meeting.

Each of the directors attended all of the meetings of the Board of Directors during 2025, save that the Company's directors Shital A. Mehta and Andrew G. Quist each missed one meeting in 2025 and the Company's former director, Mia Love, missed one meeting in 2025.

The size of the Board of Directors of the Company is proposed to be nine members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of The Nasdaq Stock Market. The Board of Directors has affirmatively determined that five of the nine nominees for the Board of Directors, namely John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody and Shital A. Mehta are independent under the listing standards of The Nasdaq Stock Market.

Unless authority is withheld by your proxy, it is intended that the Class A and/or Class C common stock represented by your proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee will be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he or she was or is to be selected as a director. There is no family relationship between or among any of the nominees, except that Scott M. Quist is the father of S. Andrew Quist and Adam G. Quist and the uncle of Jason G. Overbaugh.

Board Leadership Structure

Mr. Scott M. Quist, our CEO, is also the Chairman of the Board. Our Board has determined that having the same individual hold both positions is in the best interests of the Company and our stockholders, and consistent with good corporate governance for the following reasons:

- Our CEO is more familiar with our business and strategy than an independent, non-employee Chairman would be and is thus better positioned to focus our Board's agenda on the key issues facing our Company.
- A single Chairman and CEO provides strong and consistent leadership for the Company without risking overlap or conflict of roles.
- Oversight of our Company is the responsibility of our Board as a whole, and this responsibility can be properly discharged without an independent Chairman.

Board Committees

There are four committees of the Board of Directors, which meet periodically during the year: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee.

The Audit Committee directs the auditing activities of the Company's internal auditors and outside public accounting firm and approves the services of the outside public accounting firm. The Audit Committee consists of John L. Cook, Gilbert A. Fuller (Chairman of the committee), H. Craig Moody and Shital A. Mehta. During 2025, the Audit Committee met on three occasions. The Board has determined that Gilbert A. Fuller is an audit committee financial expert as defined in Item 407(d) of Regulation S-K under the Exchange Act.

The Compensation Committee is responsible for recommending to the Board of Directors for its approval the annual compensation of each executive officer of the Company and the executive officers of the Company's subsidiaries after its analysis and review of the compensation of such officers, including review of third party reports and recommendations. The Compensation Committee is also responsible for developing policy in the areas of compensation and fringe benefits, contributions under the Employee Stock Ownership Plan, contributions under the 401(k) Retirement Savings Plans, Non-Qualified Deferred Compensation Plan, granting of options and other awards under the stock option and incentive plans, and creating other employee compensation plans. The Compensation Committee consists of John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the Committee) and Shital A. Mehta. The Compensation Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2025, the Compensation Committee met on three occasions.

At our annual meeting of shareholders held on June 23, 2023, we submitted the compensation of our named executive officers to our shareholders in a non-binding vote. Our executive compensation program received votes totaling 38,991,463 for our executive compensation program and 539,876 votes against, with 20,682 abstentions. At the same meeting, a majority of the shareholders represented in person or by proxy approved a non-binding advisory resolution that the shareholders be asked to approve, on an advisory basis, the compensation of the Company’s Named Executive Officers every three years during the next six years. The Compensation Committee will continue to review the future shareholder voting results and determine whether changes should be made to our executive compensation program based on such voting results.

The Executive Committee reviews Company policy, major investment activities and other pertinent transactions of the Company. The Executive Committee consists of Gilbert A. Fuller, H. Craig Moody, S. Andrew Quist, Adam G. Quist, and Scott M. Quist (Chairman of the committee). During 2025, the Executive Committee met on one occasion.

The Nominating and Corporate Governance Committee identifies individuals qualified to become Board members consistent with the criteria approved by the Board, recommends to the Board the persons to be nominated by the Board for election as directors at a meeting of stockholders, and develops and recommends to the Board a set of corporate governance principles. The Nominating and Corporate Governance Committee consists of John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the committee) and Shital A. Mehta. The Nominating and Corporate Governance Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2025, the Nominating and Corporate Governance Committee met on two occasions.

Director Nominating Process

The process for identifying and evaluating nominees for directors include the following steps: (1) the members of the Nominating and Corporate Governance Committee, Chairman of the Board or other Board members identify a need to fill vacancies or add newly created directorships; (2) the Chairman of the Nominating and Corporate Governance Committee initiates a search and seeks input from Board members and senior management and, if necessary, obtains advice from legal or other advisors; (3) director candidates, including any candidates properly proposed by stockholders in accordance with the Company’s Bylaws, are identified and presented to the Nominating and Corporate Governance Committee; (4) initial interviews with candidates are conducted by the Chairman of the Nominating and Corporate Governance Committee; (5) the Nominating and Corporate Governance Committee meets to consider and approve final candidate(s) and conduct further interviews as necessary; and (6) the Nominating and Corporate Governance Committee makes recommendations to the Board for inclusion in the slate of directors at the annual meeting. The evaluation process is the same whether a nominee is recommended by a stockholder or by a member of the Board of Directors.

Meetings of Non-Management Directors

The Company’s independent directors meet regularly in executive session without management. The Board of Directors has designated Mr. H. Craig Moody as the lead independent director. In that capacity, Mr. Moody presides at the executive sessions of independent directors. We believe that the structure of our Board provides an appropriate balance of management leadership and non-management oversight.

Stockholder Communications with the Board of Directors

Stockholders who wish to communicate with the Board of Directors or a particular director may send a letter to the Company’s Corporate Secretary at Security National Financial Corporation, 433 Ascension Way, 6th Floor, Salt Lake City, Utah 84123. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

RELATED PERSON TRANSACTIONS

Policies and Procedures Regarding Transactions with Related Persons

Our Code of Conduct requires that every employee avoid situations where loyalties may be divided between the Company’s interests and the employee’s own interests. Employees and directors must avoid conflicts of interest that interfere with the performance of their duties or are not in the Company’s best interest.

Pursuant to its written charter, the Audit Committee reviews and approves all “related party transactions” (as such term is used by ASC Topic 850 Related Party Disclosures) involving executive officers and directors, or as otherwise may be required to be disclosed in our financial statements or periodic filings with the Securities and Exchange Commission (SEC) (including under Item 404 of Regulation S-K under the Securities Act of 1933), other than:

- grants of stock options made by the Board or any committee thereof or pursuant to an automatic grant plan; and
- payment of compensation authorized by the Board or any committee thereof.

A Related Person Transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and, as relates to directors or shareholders who have an ownership interest in the Company of more than 5%, the amount involved exceeds \$120,000, and in which any Related Person (defined below) had, has or will have a direct or indirect material interest.

A Related Person includes officers, directors, nominees, five percent beneficial owners and their respective immediate family members (which in turn includes person’s spouse, parents, siblings, children, in-laws, step relatives, and any other person sharing the household (other than a tenant or household employee)).

Related Person Transactions include transactions between the Company and its executive officers and directors. We have adopted written policies and procedures regarding the identification of Related Persons and Related Person Transactions and the approval process for such transactions. The Audit Committee considers each Related Person Transaction in light of the specific facts and circumstances presented, including but not limited to the risks, costs and benefits to the Company and the availability from other sources of comparable services or products.

Certain Related Person Transactions

S. Andrew Quist and Adam G. Quist are sons of, and Jason G. Overbaugh is the nephew of, Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer. In 2025, we provided to Messrs. 2013 Stock Option and Other Equity Incentive Awards Plan

On August 24, 2013, the Company adopted the Security National Financial Corporation 2013 Stock Option Plan (the “2013 Plan”), which reserved 450,000 shares of Class A common stock to be made available for issuance thereunder, of which up to 150,000 shares of Class C common stock could be issued as an alternative to up to 150,000 shares of Class A common stock. The 2013 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both “incentive stock options,” as defined under Section 422A of the Internal Revenue Code of 1986 and “non-qualified options” may be granted under the 2013 Plan. The 2013 Plan was approved by the stockholders at the Company’s Annual Meeting, which was held on July 12, 2013.

On July 1, 2015, the stockholders approved an amendment to the 2013 Plan to authorize an additional 450,000 shares of Class A common stock under the 2013 Plan, of which up to 200,000 shares of Class C common stock may be issued as an alternative to up to 200,000 shares of Class A common stock. On June 29, 2017, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock to be available for issuance under the plan, of which up to 250,000 shares of Class C common stock may be issued as an alternative to up to 250,000 shares of Class A Common Stock. On June 26, 2020, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock under the 2013 Plan, of which up to 350,000 shares of Class C common stock may be issued in place of up to 350,000 shares of Class A common stock.

The 2013 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales affected under the 2013 Plan are to be determined by the Board of Directors or its committee. No options may be exercised for a term of more than ten years from the date of the grant. Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the Internal Revenue Code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 2013 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company’s Board of Directors.

The 2013 Plan also provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately and an appropriate adjustment shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the 2013 Plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

The 2013 Plan further provides that an option shall be exercised by giving written notice to the Company. Such notice shall identify the option being exercised and specify the number of shares as to which such option is being exercised, accompanied by payment of the purchase price. The purchase price may be made either in cash or by check or, at the discretion of the Board, through delivery of shares of common stock having a fair market value equal as of the date of the exercise to the cash exercise price of the option or, at the discretion of the Board, through the use of some of the shares for which the option is being exercised (a cashless transaction), or by any combination of the foregoing means of payment.

On December 4, 2015, the Board of Directors approved a resolution to amend the 2013 Plan to include additional equity incentive awards. These additional incentive awards under the plan consist of Stock Appreciation Rights (SARs), Restricted Stock Units (RSUs), and Performance Share Awards. Stock Appreciation Rights are awards that entitle the recipient to receive cash or stock equal to the excess of the Company’s stock price on the date the SAR is exercised over the Company’s stock price on the date the SAR was granted times the number of shares of stock with respect to which the SAR is exercised. Restricted Stock Units entitle the recipient to receive RSUs that require the Company on the distribution dates to transfer to the recipient one unrestricted, fully transferable share of stock for each RSU scheduled to be paid out on that date. Performance Share Awards entitle the recipient to receive stock based on the Company meeting certain performance goals. As amended, the 2013 Plan is now entitled, the “Security National Financial Corporation Amended and Restated 2013 Stock Option and Other Equity Incentive Awards Plan.”

The 2013 Plan had a term of ten years. Given the expiration of the term of the 2013 Plan, no additional awards are authorized for issuance thereunder.

2014 Director Stock Option Plan

On May 16, 2014, the Company adopted the Security National Financial Corporation 2014 Director Stock Option Plan (the “2014 Director Plan”). The 2014 Director Plan was approved by the stockholders at the Company’s Annual Meeting on July 2, 2014 and replaced the Company’s 2006 Director Stock Option Plan. The 2014 Director Plan provides for the grant by the Company of stock options to directors who are not employees or paid consultants (the “Outside Directors”) to purchase shares of Class A common stock made available for issuance under the plan. The 2014 Director Plan also provides that annually each Outside Director is automatically eligible to receive options to purchase 1,000 shares of the Company’s Class A common stock. On December 1, 2017, the 2014 Director Plan was amended to authorize the Board of Directors to establish, each year, the effective date of such automatic grants.

On March 27, 2020, the Board approved an amendment to the 2014 Director Plan to provide for the cashless exercise of stock options. Prior to the approval of the amendment, the consideration for the shares to be issued upon the exercise of a stock option under the 2014 Director Plan included cash, check, or at the discretion of the Board, through the delivery of shares of common stock having a fair market value equal to the cash exercise price of the option, or a combination of the foregoing. As amended, at the discretion of the Board, the consideration for exercising the option may also include the use of some or all of the shares for which the option is exercised (cashless exercise of the option), or by any combination of the foregoing methods of payment. As a result of the amendment, the 2014 Director Plan is now entitled, “Security National Financial Corporation Amended and Restated 2014 Director Stock Option Plan.” On June 26, 2020, the stockholders approved an amendment to the 2014 Director Plan to authorize an additional 100,000 shares of Class A common stock to be made available for issuance under the plan, thereby increasing the total number of available shares from 150,000 to 250,000.

The primary purposes of the 2014 Director Plan are to enhance the Company’s ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets, or other change in control transaction involving the Company, each option granted under the 2014 Director Plan becomes exercisable in full, unless such option is assumed by the successor company. In the event the transaction is not approved by a majority of the “Continuing Directors” (as defined in the 2014 Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

The 2014 Director Plan had a term of ten years. Given the expiration of the term of the 2014 Director Plan, no additional awards are authorized for issuance thereunder.

Stock Purchase Plan

On September 11, 2015, the Board of Directors approved the Company’s Stock Purchase Plan for the mutual benefit of the Company and its stockholders. Under the terms of the Stock Purchase Plan, the Company has the option to purchase shares of Class A common stock from its officers and directors who exercise the stock options granted to them under any of the Company’s stock option plans with the proceeds from such purchases to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options. Additionally, the officers and directors who exercise their stock options may, in their discretion, request that the Company purchase shares of their Class A common stock with the proceeds from such sale to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options.

The Company is authorized under the Stock Purchase Plan to purchase no more than 60,000 shares of Class A common stock in any calendar year to pay the taxes owed by the officers and directors who exercise their stock options under the Stock Purchase Plan. The Company’s purchase price for the Class A common stock under the Stock Purchase Plan shall be equal to the closing sales price of the Company’s Class A common stock as reported by The Nasdaq National Market on the day that the applicable stock options are exercised by such officers and directors. Under the Stock Purchase Plan, the Company may only purchase shares of Class A common stock from the officers and directors exercising their stock options during a “Trading Window” as defined in the Company’s Insider Trading Policy and Guidelines.

2022 Equity Incentive Plan

On March 25, 2022, the Company’s Board of Directors adopted the 2022 Equity Incentive Plan and it was approved by the Company’s shareholders on June 17, 2022. The purpose of the 2022 Equity Incentive Plan is to assist the Company and its subsidiaries in attracting and retaining selected individuals to serve as directors, employees, consultants and/or advisors of the Company who are expected to contribute to the Company’s success and to achieve long-term objectives which will inure to the benefit of all shareholders of the Company through the additional incentives inherent in the Awards thereunder. A maximum of 1,000,000 shares of Class A or Class C common stock were initially authorized for issuance under the 2022 Equity Incentive Plan (including pursuant to incentive awards). The authorized shares available for issuance under the 2022 Plan was increased by 3,000,000 shares of Class A and Class C Common Stock (out of which a maximum of 500,000 shares of Class C Common Stock were authorized for issuance) pursuant to a resolution passed by the Board and approved by the stockholders at the annual meeting of the stockholders held on June 27, 2025, resulting in a maximum of 4,000,000 shares of Class A and Class C common stock under the 2022 Plan (out of which a maximum of 1,500,000 shares of Class C common stock were authorized for issuance). Awards under the 2022 Equity Incentive Plan are subject to the discretion of the Board and the Compensation Committee. The 2022 Equity Incentive Plan has a term of 10 years. In March 2023, the 2022 Equity Incentive Plan was amended and restated to allow vesting periods of less than one year for Restricted Stock and Restricted Stock Unit awards for directors.

Certain Relationships and Related Transactions and Director Independence

The Company's Board of Directors has a written procedure, which requires disclosure to the Board of any material interest or any affiliation on the part of any of its officers, directors or employees that is in conflict or may be in the conflict with the interests of the Company.

REPORT OF THE COMPENSATION COMMITTEE

Compensation Discussion and Analysis

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of five directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company’s compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance, and aligns executive officers’ interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive’s performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company’s strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2025 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer’s compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company’s achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2025 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer’s actual and potential contribution to the Company’s growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company’s Class A common stock occurs over a number of years. We do not grant equity awards in anticipation of the release of material nonpublic information and we do not time the release of material nonpublic information based on equity award grant dates or for the purpose of affecting the value of executive compensation. In addition, we do not take material nonpublic information into account when determining the timing and terms of such awards.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer of the Company, for services rendered in 2025. Mr. Quist had received a base salary of \$897,950 for 2025. Under the Compensation Committee’s rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of four non-management directors: John L. Cook, H. Craig Moody, Shital A. Mehta and Gilbert A. Fuller (Chairman of the committee). Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards.

During the year 2025, the Audit Committee met three times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Deloitte & Touche LLP, and discussed all matters required to be discussed by the auditors with the Audit Committee under the Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether any non-audit services provided by them to the Company during 2025 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2025 for filing with the U.S. Securities and Exchange Commission.

PROPOSAL 2 – THE AMENDMENT OF THE COMPANY’S 2022 EQUITY INCENTIVE PLAN TO PROVIDE THAT UP TO 500,000 OF THE SHARES PREVIOUSLY AUTHORIZED TO BE ISSUED ONLY AS CLASS A COMMON STOCK MAY INSTEAD BE ISSUED AS CLASS C COMMON STOCK

The Board of Directors is asking the Company’s stockholders to approve an amendment to the Company’s 2022 Equity Incentive Plan at the Annual Meeting. On March 13, 2026, the Board approved the amendment to the 2022 Equity Incentive Plan. The amendment of the Company’s 2022 Equity Incentive Plan provides that up to 500,000 of the shares previously authorized to be issued only as Class A common stock may instead be issued as Class C common stock. The amendment does not otherwise propose to change the total authorized shares available for issuance under the Company’s 2022 Equity Incentive Plan. Subject to stockholder approval of the amendment of the 2022 Equity Incentive Plan, 500,000 shares that previously could only be issued only as Class A common stock may instead be issued as Class C common stock.

At the Company’s 2025 Annual Shareholders Meeting, the shareholders approved an amendment to the 2022 Equity Incentive Plan to authorize an additional 3,000,000 shares of Class A and Class C common stock (out of which a maximum of 500,000 shares of Class C common stock were authorized for issuance). As of March 1, 2026, the Company had yet to issue awards with respect to 1,896,335 of the shares of Class A Common Stock authorized for issuance under the Plan and had issued awards with respect to all but 4,207 Class C shares of Common Stock authorized for issuance under the Plan.

Class A shares have different voting rights than the Class C shares. According to the Company’s Articles of Incorporation, the Class A stockholders, voting separately as a class, elect one-third of the directors to be elected at meetings held for the election of directors. The remaining directors are elected by the Class A and Class C stockholders voting together, with each share of Class A common stock having one vote and each share of Class C common stock having ten votes. With respect to other matters, the Class A common stockholders and Class C common stockholders generally vote together, with each share of Class A common stock having one vote and each share of Class C common stock having ten votes, with certain exceptions under the Articles and under law requiring separate voting by class. If the stockholders approve the amendment to the 2022 Equity Incentive Plan to provide that 500,000 of the shares previously authorized to be issued only as Class A common stock may instead be issued as Class C common stock, it will potentially change the voting power of the shares issuable under the 2022 Equity Incentive Plan. For example, if the 500,000 shares previously authorized to be issued only as Class A common stock are authorized to be issued as Class C common stock and all 500,000 of those shares are in fact issued as Class C common stock instead of Class A common stock, there would be 500,000 fewer Class A shares voting with respect to the election of the one-third of the directors elected by the Class A common stockholders voting separately as a class than there otherwise would have been, and 4,500,000 additional votes in the election of the remaining directors and other proposals where the Class A and Class C common stockholders vote together.

The Board believes that approving the amendment to the 2022 Equity Incentive Plan is in the best interests of the stockholders. The Board has unanimously approved the proposed amendment to the 2022 Equity Incentive Plan and recommends that the Company’s stockholders adopt and approve the proposed amendment to the 2022 Equity Incentive Plan at the Annual Meeting to provide the Company with the continued ability to grant a variety of equity awards to help attract, motivate and retain officers, directors and employees of the Company and its subsidiaries. If the stockholders approve the amendment to the 2022 Equity Incentive Plan at the Annual Meeting, the amendment will be effective as of the date of the Annual Meeting.

The purpose of the amendment to the 2022 Equity Incentive Plan is to promote the success and enhance the value of the Company by aligning the financial interests of the officers, employees and members of the Board with those of stockholders and by providing these individuals with an incentive to work to enhance stockholder value. The 2022 Equity Incentive Plan also provides an incentive for officers, directors and employees to create stockholder value over the long term since the full value of their compensation package cannot be realized unless an appreciation in the price of the Company’s common stock occurs over a number of years. The 2022 Equity Incentive Plan is also intended to provide the Company with flexibility in creating ways to attract, motivate, and retain the services of its officers, directors and employees.

As explained in greater detail in the Compensation Discussion and Analysis section of this Proxy Statement, the Company grants its officers and employees equity participation in the Company. The 2022 Equity Incentive Plan provides officers and employees with opportunities to purchase stock in the Company pursuant to incentive stock options, and officers, directors, employees and consultants of the Company with opportunities to purchase stock in the Company pursuant to non-qualified options, stock awards, and direct purchasers of stock in the Company. Neither the Board nor the Compensation Committee has retained any consultant to provide any analysis or opinion in connection with the amendment to the 2022 Equity Incentive Plan.

In order to continue to make desired grants in accordance with the compensation philosophy adopted by the Board and the Compensation Committee, the Board has approved and is requesting the stockholders to approve the amendment to the 2022 Equity Incentive Plan. The Board believes that the availability of such equity incentives has served, and will continue to serve, an important part in the implementation of the Company’s growth strategy.

PROPOSAL 3 – APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company’s stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC’s rules. Thus, pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is asking stockholders for an advisory approval of the compensation of the Company’s Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables, and related narrative discussion included in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Company designs its compensation programs to maintain a performance- and achievement-oriented environment throughout the Company. The goals of the Company’s executive compensation program are to provide total compensation that is competitive in the market place and that rewards successful financial performance in order to attract, retain, and motivate highly-qualified executive officers and other key employees who contribute to the Company’s long-term success, to align executive compensation with the Company’s business objectives and performance, and to motivate executive officers to enhance long-term stockholder value.

Consistent with these goals and as discussed in the Compensation Discussion and Analysis, the Compensation Committee has designed guiding principles to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

The Company is asking its stockholders to indicate their support for the compensation of the Company’s Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives the stockholders the opportunity to express their views on the compensation of the Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s Named Executive Officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, the Board of Directors asks the stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2026 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2025 Summary Compensation Table, and the other related tables and disclosures.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board of Directors, or the Compensation Committee. The Board of Directors and the Compensation Committee value the opinions of the Company’s stockholders and will take into account the outcome of this vote in considering future compensation arrangements for the Named Executive Officers.

The Board of Directors recommends that the stockholders vote “FOR” approval, on an advisory basis, of the compensation paid to the Company’s Named Executive Officers.

PROPOSAL 4 - RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The independent public accounting firm of Deloitte & Touche LLP has been the Company’s independent registered public accountants since June 1, 2017. It is anticipated that representatives of Deloitte & Touche LLP will be present at the Annual Meeting, will be provided an opportunity to make a statement if they desire and are expected to be available to respond to appropriate questions.

The Board of Directors recommends that stockholders vote “FOR” ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered public accountants for fiscal year ending December 31, 2026.
